DESCRIPTION

You enter the property via a welcoming hallway, with stairs rising to the first floor. To the left is a bay-fronted living room, featuring an inset log burner and beautiful parquet flooring. Beneath the stairs, there is a well-appointed cloakroom, with a boiler cupboard located opposite.

To the rear of the ground floor lies a truly stunning extended open-plan kitchen, dining, and family space, which flows seamlessly out to the garden through floor-to-ceiling glazed sliding doors. This light-filled area perfectly suits modern living, showcasing a sleek bespoke 'Masterclass' kitchen with marble worktops, engineered oak flooring, and an impressive family area complete with a media wall, electric hideaway cinema screen, and pre-installed wiring for a TV, soundbar, and projector.

On the first floor, you will find the principal suite, two further double bedrooms, a family bathroom, and a study or nursery. The principal suite features a vaulted ceiling, with a dressing area at one end offering his-and-hers wardrobes, and an en-suite shower room at the other. There is also space and wiring in place for a wall-mounted TV at the foot of the bed. The family bathroom is equally impressive, finished with Mandarin stone faux marble tile, and comprising a bath, walk-in shower, double sink unit, and WC.

The second floor offers an additional double bedroom with far-reaching views across Bath.

Externally, the front of the property provides a block-paved driveway for a couple of vehicles, complemented by mature planting and hedging. To the rear, a composite Millboard deck wraps around the house, partially covered by a 'Brustor' electric louvred roof pergola, offering shade and shelter throughout the seasons. The garden is thoughtfully landscaped, mainly laid to lawn with well-stocked borders on both sides. At the top of the garden, you'll find an idyllic al fresco dining area alongside a bespoke children's play area.
